

Two More Die As Car Crashes Rainbow Rocks

Musicians Are Killed When Speeding Vehicle Wrecks

The rocky ledge edging Highway 40 just east of Rainbow Tavern has claimed four lives within the past four weeks and brought serious injuries to a number of others.

Oscar Monroe, 16, Berkeley, and Terry Carter, 23, Oakland, were fatally injured there at 6:30 a.m. Sunday morning when a car driven by the former's stepfather, James Mason, crashed into the rocks and was demolished. Monroe died en route to the Tahoe Forest Hospital and Carter expired a half hour later. The driver was not seriously injured.

The three were returning to the bay area from Reno where the two boys played in a band. State Patrolman Roy Stallard said there was evidence the car was traveling at a high rate of speed.

The mishap occurred within 50 yards of a similar crash on August 2 in which Mrs. Virginia Bush of Auburn was killed and her mother, Mrs. Irene Allen of Bell, received injuries which resulted in her death at the local hospital Saturday night. A third passenger in the car, Linda Bush, 5, was injured.

In the latter collision, the Allen car was hurled into the path of one occupied by Mr. and Mrs. Nathan H. Snow of Fresno, both of whom were critically hurt.

Ironically, the Snows have filed suit in the Placer County superior court against Mrs. Allen and Industrial Automobile Rentals Inc. for \$81,350 damages.

ROAD PROBLEM NEAR HERE IS AIDED TO BOARD

Eugene Risden and P. J. Zydner of the Meadow Park Improvement Association Tuesday appeared before the directors of the Truckee Public Utility District in an effort to arrive at some means by which the roads in that district can be improved and maintained.

Recently a delegation from the association appeared for the same purpose before the board of supervisors where they quickly learned that little assistance could be expected from that quarter, at least not before the roads have been put into condition where they are acceptable as county highways.

The utility board has agreed to deed the land necessary for the roads to the property owners or the county and offered all other assistance short of financing the program.

It has been indicated that snow will not be plowed in that populated area by the county until the roads become a part of the county system. The home owners are at a loss as to what steps to take to provide themselves with this highly important service.

The utility board has agreed to meet with association officers, the county road commissioner and Supervisor H. G. Loehr to attempt to work out a solution.

DISTRICT ROTARY GOVERNOR VISITS

Edwin Witter of Sacramento, district governor of Rotary International District 164, paid his official visit to the local Rotary Club last Monday night at Donner Lake Lodge. He spoke to the club on the principal aims of Rotary and the type of service which Rotarians are dedicated to give the community. During his visit he performed the installation ceremony for five new members. These are Robert Wolf, Oscar Quam, Ray Wacker, Rex Thomas and Dick Swanson.

The meeting was presided over by Johnnie Richards and Charles Cross served as program chairman. Visiting Rotarians were S. Lester, Dr. Hollis Snell, Windy Christian, Fred Baker of Brockway, Marty Murator of Fairfield and Ray Scott of Chowchilla. Guests included Jack Daulton of Brentwood and Rev. A. A. Carmichael of Point Arena.

Next Monday night's meeting will be held jointly with the Reno Rotary at their annual stag barbecue held in the California Building at Idlewild Park.

COURT MONEY TO NEVADA COUNTY

Judge Fosten W. Wilson of the Truckee judicial district has turned over to the Nevada County treasurer \$2309.75 as receipts for the month past. Covered in the remittances made this week were \$2095 for traffic fines, \$19.75 for civil cases, \$170 for criminal case fines and \$25 for a fish and game violation.

Premier Show Of Movie Made Here Is Coming Soon

V. C. Shattuck, Donner and Tahoe Theaters manager, announces the world premiere of "Island in the Sky," a motion picture produced near here last winter, will be shown at the Truckee theater Sunday and Monday, September 6 and 7 and at the Kings Beach theater September 2 through the 5th.

The gripping, suspense-laden epic of the air, starring John Wayne, was a Wayne-Fellows production, released through Warner Brothers and was filmed for the most part at the Truckee airport.

Directed by William Wellman, the story was written by Ernest K. Gann and portrays a narrative about an air force transport forced down in the bleak wastes of Labrador and the efforts of the rescue squadron to locate the plane and crew in the frozen area so desolately wild it had never been charted.

Wayne is the skipper of the forced down plane and is confronted with the problem of keeping his men alive for the week or so he figures it will take to find them.

The subsequent rescue attempts provide a real thrill-packed drama and the fact that it was filmed here, with some local extras, will add greatly to its local interest. More than 100 Hollywood actors and technicians were here during the filming.

The show will open in New York on Labor Day.

GIRLS, PYTHIAN SISTERS PLAN ON BUSY SESSION

A combined meeting of Donner Council No. 13, Pythian Sunshine Girls, and Summit Temple No. 79, Pythian Sisters, will be held this evening in Odd Fellows hall. The members of the council group will exemplify their ritualistic and drill work, to be followed by a reception for Ruth Osburn, grand historian.

The guest book will be in charge of Donna Songer and Pearl Heller, royal advisor, Vivian Smith and Wilma Johnson are on the committee of arrangements and refreshments. Nancy Kaspian was appointed flag bearer, Nona Rae Coffey, Judy Giovannoni and Ireda Harris were appointed as banner girls for the Sunshine Girls.

All members of the organizations are urged to attend. Nancy Marquis, Charity in the local Sunshine Girls, presided at the August 19 meeting in the absence of Royal Princess Sharon Pace. At that time final plans were perfected for tonight's meeting.

DRUNK DRIVER IS FINED \$200

Raymond Layton Williams, 35, Fresno, was fined \$200 by Judge F. W. Wilson here Saturday for drunken driving. He was arrested Friday evening by Officer Martin Sturcke of the highway patrol in the Donner Summit area.

Child Missing In Summit Region Returned Safe

Five Year Old Walks Two Miles Over Rugged Terrain

A five-year-old Santa Cruz girl created a justified frantic search near Soda Springs Tuesday when she wandered away from Santa Cruz Lodge and was found four hours later two miles from where she disappeared by Chris Wind-sat, a local builder.

The child, Christine Graham, daughter of Mr. and Mrs. Donald Graham, was visiting with her uncle and aunt, Mr. and Mrs. William Graham. Mrs. Graham had started to take Christine and four other children to Reno when the child was missed.

A sheriff's posse, headed by Deputy Roy Waters of Truckee, for-esters from Big Bend ranger station and scores of volunteers joined in a search of the rugged area.

Apparently unimpaired of the dangers confronting her, Christine plodded through the thickly wooded district for four hours and at 2 p.m. heard the pounding of a hammer wielded by Windsat. She went to the spot where he was engaged in carpentry and Windsat returned her to her home, none the worse for the experience, which might easily have developed into a tragedy.

ENGAGEMENT OF TRUCKEE COUPLE IS ANNOUNCED

Mr. and Mrs. L. C. Nauss of Norden announced this week the coming wedding of their daughter, Irma, to Charles Ed Smith of Truckee. The nuptials will take place in Truckee Community Methodist Church on September 26.

Smith is the son of Mr. and Mrs. Earl Smith and a member of a pioneer Truckee family. Both he and the bride-elect are graduates of Tahoe-Truckee high school.

Miss Nauss, also a popular member of the local younger set, will be honored with a shower by a group of friends here this week.

MAJOR OPERATION REMOVES TREE AT LOCAL HOSPITAL

Officials at the Tahoe Forest Hospital pondered in consultation for some time before performing a drastic operation there this week.

It appears that the huge 60-foot pine tree adorning the front yard of the building became diseased and threatened to tumble in high winds.

The tree will be replaced with another so as not to interfere with the beauty of the landscaping.

Incidentally, the public has been invited to drive by the south side of the hospital to see the many beautiful flowers now blossoming there. The flower garden is the result of plants and labor donated by the people of the community and employees of the hospital.

BUILDER FALLS HURTS RIBS, LEG

It was real handy for Mrs. Velma Pollard to care for her husband, James, a local contractor, after the latter fell from a roof on which he was working this week. Mrs. Pollard is a nurse at the Tahoe Forest Hospital where Pollard was taken with rib and leg injuries.

TRUCK WRECKED, DRIVER LEAPS

Eric A. McLuckie, San Francisco, leaped from his careening truck half a mile below Donner Summit early Wednesday morning and the truck was demolished in the rocks below the grade. McLuckie was cited for having faulty brakes. The truck was empty.

TO SACRAMENTO
Albert Couture of Lake Tahoe, injured in an auto accident July 2, was transferred to Sacramento by Truckee ambulance after 54 days in the Tahoe Forest Hospital. He was high in praise for the care given him here.

Sun Beams

by WALTER BARRETT

The desire of the Truckee Chamber of Commerce to restore rather than destroy the dilapidated Rocking Stone tower here merits support from the whole community. We are often loath to support projects of this type, as they offer very little interest to local residents, familiar with the background and historical story, but for the occasional visitor and tourist they provide a valuable asset. The cost of restoring the tower may run as high as \$2,000, but if, for this sum, we can perpetuate one of the fast diminishing historical landmarks it will be money well spent. We will go even farther. If the tower is restored it may be possible to stock it with various mementoes of the pioneer days of this area and thus create increased interest. It may come as a surprise to some to know that literally hundreds of tourists, intent upon a visit to points of historical interest, stop here each year to inquire about the rocking stone. We should make a concerted effort to maintain our prestige as one of the history-making centers of the west and restoration of this tower should mark only the beginning of a very important program.

It was pleasing to note that the chamber of commerce also is interesting itself in the establishment of a full-time department of motor vehicles office here. For the past year, this fast-growing and widely populated area has been served on a one-day-a-week basis and while other communities in the state are receiving increased services, Truckee is being cut down despite the fact that the area is constantly growing. It doesn't make sense and the chamber is right in its request.

BODY OF MAN FOUND ON TRACK ACCIDENT VICTIM

The body of a man tentatively identified as Albert Angus MacDonald, 45, 1231 12th Ave., Oakland, was found on the west bound track of the Southern Pacific one mile east of here last night by a freight train crew.

Coroner Alvah Hooper and Deputy N. F. Dolley said they believed the man fell from a train and crushed his head. The investigation is continuing. The body was taken to the Truckee Colonial Mortuary.

FRANK TITUSES PARENTS OF GIRL

Mr. and Mrs. Frank A. Titus became grandparents for the sixth time Tuesday, August 18, when a daughter was born to Mr. and Mrs. Frank L. Titus at Reno.

The little girl weighed a light five pounds and 14 ounces upon arrival and has been given the names of Lias Brooke. Her parents are well known here, where they resided until recently when they went to Portola to make their home. Titus is managing the Loynds' Drug Store in that city.

PATROLMAN AID SAFETY SESSION

Sergeant Frank Smith and Patrolmen Martin Sturcke and William Gautsche headed the round-table safety discussion at the meeting of the Wyethia Club Friday. The group discussed many phases of traffic safety.

Driver books and booklets on safety in the home as well as safety reminder cards were distributed. Two films, "Safe Highway" and "Drive Carefully," sponsored by General Motors, were shown.

An art program will follow the regular business meeting of the club at the September 4 meeting at the clubhouse.

Neighbors from South—
Mr. and Mrs. Stanley Neighbors and children Irene and Donnie of San Diego left this week for their home after visiting Mr. and Mrs. Robert Leamon.

Chamber Seeks Restoration For Historic Tower

Will Request Full Time Motor Vehicles Office

The question of whether or not the Truckee Chamber of Commerce shall continue to maintain the free parking lot in the rear of the business section has been left in the hands of President Cliff Ellis.

It was pointed out at Tuesday night's meeting that few are availing themselves of the service and that the rental of \$50 a month does not seem to be justified. Ellis indicated he would confer with proponents of the plan before coming to a definite conclusion.

In another important matter discussed by the chamber Tuesday, it was decided to appeal to the board of supervisors for financial assistance in the restoration of the old Rocking Stone tower adjoining the Veterans Memorial Building. In its present condition, it was stressed, the structure is a hazard to anyone entering or being near and the chamber will ask the board to apply safety measures until such time as permanent reconstruction can be accomplished.

The importance of the tower as an historical landmark was cited and it was generally agreed that restoration rather than demolition is advisable. Rev. Sidney Winston and Johnny Ciardella were named as part of a committee to present the project to the supervisors since the county owns the land and tower.

The chamber also went on record urging the department of motor vehicles to establish a full time clerk here for the purpose of issuing drivers licenses and handling motor vehicle registration work. It was held that the one day a week schedule now in operation is far from adequate.

MAN SERIOUSLY HURT IN CRASH ON TAHOE ROAD

Frederick E. Greenberg of Daly City has serious injuries to his neck and a broken ankle as the result of a head-on collision between his car and one operated by Dr. Walter M. Stiern of Bakersfield a mile north of Big Chief on Highway 89 Sunday afternoon at 3:30 o'clock.

Patrolman T. F. Sheehan cited Stiern for failure to yield right of way and a ticket was issued to Greenberg for driving without due caution. Greenberg was taken to the Tahoe Forest Hospital by the Truckee ambulance.

TAHOE WOMEN HOLD SESSION

HOMEWOOD— The Women's Club of Tahoe held a luncheon meeting at Don Huff's Homewood Resort last Thursday. John Arokiasamy of India spoke on his native land, the interesting lecture being illustrated with slides. The speaker, here with his wife, is sponsored by Rotary International. A display of oriental craft was sold to help defray current expenses.

THIMBLE CLUB MEETS IN HOME

The Thimble Club met last Thursday evening at the home of Mrs. Charles Heller. After a short business meeting, the group enjoyed games and refreshments were served. The project this year is to help the Sunshine Girls purchase necessary paraphernalia for the council.

Mrs. Henry Beck will be hostess for the September 30 meeting.

Streets Anniversary—
Mr. and Mrs. John Street observed their wedding date August 22.

Leave for Los Altos—
Mr. and Mrs. J. Alameda, who have been improving their Donner Lake property, have returned to their home at Los Altos.

Wedding Date—
Mr. and Mrs. John Gracik celebrated their wedding anniversary Monday, August 24.

Little Change In County Tax Seen For Coming Year

The Nevada County board of supervisors set \$2.10 per \$100 assessed valuation as the tax rate for the 1953-54 fiscal year, a cut of only three cents off last year's rate.

At the same time, County Clerk and Auditor R. E. Deeble announced the tax rates for the various schools and special districts within the county, set by local boards but collected by county officials.

Total rate within the Truckee Sanitary District is \$4.82.

Rates in the local districts were announced as follows:

Donner Trails School interest and sinking fund, rate cut to 10 cents from 18.

Tahoe-Truckee Unified School interest and sinking fund, rate increased from 2 to 3 cents.

High school maintenance, rate for Tahoe-Truckee district remains at 75 cents.

Elementary school maintenance rate for Tahoe-Truckee district remains at 80 cents.

Truckee Cemetery District, rate remains at 2 cents.

Truckee Sanitary District, rate increased to 36 cents from 35.

Truckee Fire Protection District, rate increased to 39 cents from 31.

Tahoe Forest Hospital District, rate for maintenance cut to 10 cents from 13; rate for interest and sinking fund increased to 4 cents from 2.

Donner Summit Public Utility District, rate stays at 50 cents.

AMY MAE ROBLES, TRUCKEE MATRON, PASSES IN HOME

Mrs. Amy Mae Robles, 68, wife of William Robles, county road crew employee and widely known here, died at her home Wednesday evening. She had been in ill health for some time but her death came suddenly and was a shock to her family and friends.

Mrs. Robles was a native of Iowa but came to California at the age of three and lived most of her life in Sutter County. The family came here nine years ago.

Surviving are a brother, Jess Stephenson of Napa, a sister, Mrs. Vina Barrington of Petaluma; two daughters, Mrs. Edith Mae View of Napa and Mrs. Alton Kyle of Oakville; one son, Henry Robles of Yuba City.

Rev. Sidney Winston will conduct last rites Saturday morning at 11 o'clock at the chapel of the Truckee Colonial Mortuary. Interment will follow at the local cemetery. The sympathy of the community is extended to the bereaved family.

SPEECH HEARD AT MEETING OF TRUCKEE LIONS

A tape recording of a speech given by Carl Taylor, president of the State Bank of Waukesha, Wis., provided much food for thought among members of the Lions Club last night. The talk was on "What Kind of Government Do You Want?" and pointed out the dangers of creeping socialism in government agencies and bureaus. C. R. Heller presided at the meeting and F. W. Gaiennie provided the program.

Guests included Stan Martin of Lovelock, Daven Morey of Truckee, Ray Scott of Chowchilla, Bill Parler of Grass Valley and Dr. Emil Von Dessoneit.

AWARDS GIVEN AT CUB SESSION

Three Cub Scout dens headed by Mrs. William Englehart Jr., Mrs. James Walker and Mrs. Wilber Glenn attended their monthly pack meeting at the local baseball park Tuesday evening. The boys played ball and awards were presented before the closing ceremony.

Mrs. Glenn was unable to be present due to illness in the family.

Return South—
Mr. and Mrs. John Brown and Mr. and Mrs. Freeman Campbell all of Pasadena, who were recent guests of Mr. and Mrs. William Englehart Jr., returned home Wednesday.

One man Civil Defense units are Bert Bacon and Goldie Rowton, we learn. Bert in Cisco and Goldie at Soda Springs report "planes that fly over the vicinity and their "coaching" has taught them to dis-

tinguish the various types of aircraft by sound. Quietly, without fanfare, these two people make their reports and have been doing so for quite some time.
A humorous letter from Nina Jo and Bill Lowry describe the home they found in Madison, Wisconsin, which is located in an orchard. The

couple love their new surroundings but long for the day when they can return to California.

Little Lynnie Aro goes to surgery down peninsula way this Thursday for an eye operation. Lynn has worn patches on one of her pretty, bright blue eyes for quite some time to correct an eye defect but physicians have decided an operation is the only method of straightening out the condition.

Eleanor Johanson has been in a tizzy and a dither since she decided to take a vacation, her first in many years. Eleanor has been a co-hostess at many of our mountain hussels in the past and we thought in retaliation for the many nice things she has done for all of us, it would be fun to give her a "going away" party, even though her trip will not be an extended one. So the "Old Bag Club" convened and went into action. Scene of the wing-ding was Helen Reynolds' spacious and swiss cabin last Thursday evening. Good mountain cooks showed their skill as cakes, sandwich loaves, canapes and the works were carted to the event by Irene Bourdet and daughter, Patsy, Barbara Zorich, Ruth Meador, Lee Samdahl and Doris Chaplin. Incidentally, the stuffed eggs the latter brought were fixed by Brant Chaplin in person. Jeannie Moriano, Peg Travis, Betty Aro, Goldie Rowton, Eula Sherritt, Helen Reynolds, Belle Reynolds, Esther Heim-

bach, Marie Strickland and ourselves. As Eleanor has had her bags packed for weeks, we did not want to give her gifts that would upset her packing system, so a plastic sack filled with fifty cent pieces and tagged "Your cocktail money from The Old Bags." "This is the nicest thing that ever happened to me," says Eleanor. And we surely hope she has a nice vacation.

Hannes Schroll is busy these days explaining the operation of the Magic Carpet into beautiful Sugar Bowl, which is fast becoming a reality as work goes steadily ahead.

Construction and remodeling operations on the mountain are re-

cognized in Beacon Hill Lodge and Crest Lodge. Elmo Moriano at Beacon Hill slows down until after his Labor Day lodge fill up and, we understand, the cocktail lounge will become more spacious than it now is. Charlie Secco's Crest adds another floor to its garage.

Jack Woodard's Ski Ranch and Donner Summit Lodge reported a big weekend with the regular old clan of mountain skiers coming up to see what goes on in their winter snow fields. Jack Woodard closes his summer season with a party next Monday evening.

Chuck Reynolds of Donner Summit Lodge is happy this week to entertain his friends, Mr. and Mrs. Ray Alpers of Concord.

We, too, are happy to get in a few moments chat with Jo Haglund and Dan Couillard of San Francisco, our good husband's sister and brother.

The Dreyfus cabin bubbles over with exuberance as the five little Dreyfus boys spend the closing days of vacation in the mountains with their folks. "Projects" are underway to keep the youngsters busy, among these a miniature golf course that the boys have constructed. Papas Barney and Pete Dreyfus practice on the course while the kids' caddy. Between games, exploring trips take place as the clan seek places they have never frequented before.

Meet Caryl Dodson, who summers up here each year. Caryl, a curly headed blonde miss, adds her name to the "ham" list as she operates her portable equipment in this area.

Home have flown the Bourdet family, the Gray family and many of the Kingvale and Cedars summer residents as brisk winds blow through the Donner country. Old residents predict an early winter but we keep our fingers crossed. We hope there will be many more days when we can don sundress and pedal pushers for the good, warm sunshine.

NORTH TAHOE

by THELMA BURROUGHS

Last week the A. E. Abbotts were pleasantly surprised when friends of many years, Mr. and Mrs. W. Perrin and daughter, Lynn, of Albany dropped in for a visit. Other guests in the Abbott home recently were Mr. and Mrs. L. M. Hendrich of Bakersfield.

Mr. and Mrs. Jerry Little accompanied by Jean's mother, Mrs. Pelley of Bakersfield, are on vacation this week visiting with Jean's sister in Idaho.

There are birthdays and birthdays. An interesting arrangement is to celebrate two at a time, such as that party last Sunday night in honor of the combined birthdays of Lillie Fisher and Eddie Devine at the Cal-Vada Club. Friends invited in to share the floor show, a lovely cake baked by John Schu and join in best wishes for the celebrants were Shirley and Jack Dacus; Ann Fisher, daughter of Lillie; Rose Vance, Andy Johnson, P. M. and Thelma Burroughs.

Mrs. Velma Robenett, her children, Dorothy, Geraldine and Russell, all of Long Beach, are visiting with Mr. and Mrs. Henry Chanda.

The North Tahoe Community Club at a general meeting last Friday night, August 21, held its election of officers for the year. Judge Harry Charrison was re-elected as chairman; Alice Sorensen, vice president; Lee Madden, general secretary; Harry Stubble, corresponding secretary; P. M. Burroughs, treasurer. It was announced that on September 25 there will be a dinner and dance at the Gun Club to which all the citizens of North Tahoe are invited. This will be about the first chance for North Tahoeites to really get together for an evening of entertainment after a busy summer season. A complete accounting of all Fire Funds handled by the commission since the beginning of the fire control was presented to the club. RR.IACIMeveryoneisinv8 m

Sunday last Mr. and Mrs. Raymond Arthur and sons Donnie, Terry and Michael of Burbank surprised Mrs. Arthur's aunt, Mrs. Anne Blaue, stopping by for a visit en route to Chanute, Kansas, to visit other relatives.

Friends of Dorothy Van Allyn will be glad to know she is recovering nicely following surgery and hospitalization at Tahoe Forest Hospital recently.

Word has been received of the death of Carroll Rapier, father of Bertha Ballard. At the time of his passing August 19, the family had planned moving into their new home at Wilmington soon. Mr. and Mrs. Rapier sold their Villa Vista cottages at Tahoe Vista last year to Mr. and Mrs. Charles Mang and went to Auburn where they had lived since. The body was taken to southern California for burial. The whole community joins in sympathy with the bereaved.

Mrs. Arthur Dixon of Pasadena left for home this week after nearly three weeks with the Harry Charrisons. Other guests at the Charrison home were Mr. and Mrs. Groom of Pasadena.

Mrs. Arnold Miedema has returned from Pasadena where she went to be with her daughter, Beverly, and to see for the first time that new grandson, Wyman Randall, soon to be better known as Randy Williams.

Mr. and Mrs. W. R. Grant were Kings Beach visitors for the past week. Bill has been recuperating from an appendectomy. Very soon the Grants will go to Fresno where she will enter a hospital for surgery.

The Firpo home on the golf course has been sold to Mrs. Marcia Segale of Los Gatos.

Mr. and Mrs. Franklin Tuttle were up from Auburn over the weekend.

A new citizen down Applegate

William Long, a southern California endurance swimmer who swam several large bodies of fresh water successfully, including Arrowhead and Big Bear Lakes in the San Jacinto range, plans to make the swim across the widest part of Lake Tahoe on Labor Day, September 7, providing there is no heavy wind or rough water that

day. On August 30 and 31 he said he will make part-way practice swims, starting from Cave Rock on the Nevada shore and swimming in the direction of Meeks Bay. On Labor Day he plans to start the long distance swim from Meeks Bay and land at Cave Rock or in that vicinity.

Long is a medium sized, slender man and will have to depend on strength and endurance to make the swim, as he does not possess

the excess light fat which aids many swimmers in floating.

At shortly before 7 a.m. on August 24, 1931, Mrs. Myrtle Huddleston, noted long distance swimmer, came in on the beach at Tahoe Tavern pier after swimming across the lake from the Glenbrook, Nevada pier, which has been estimated as being 15 miles, the widest part of the lake. Mrs. Huddleston had been drifting off course a full eight miles by an unexpected east wind, according to guards who followed her in boats. She had been in the water for barely under 23 hours and counting the distance she drifted and swam over again, she was estimated to have covered 26 miles swimming.

Clay Sherman of Oakland started a trans-lake swim at midnight August 2, 1935, in an attempt to beat Mrs. Huddleston's record of four years previous. After swimming about seven miles in four hours, he got cramps in his legs and had to be taken out of the water by his escorts who followed him in a boat. He made his start from Dead Man's Point on the Nevada shore, intending to swim to Tahoe Tavern.

Mr. and Mrs. Albert K. Miller of San Francisco, who recently took over the old Philip King Brown residence on the lakeshore at Sunnyside, held an elaborate house warming party there one day during the past week. The party began at 11 a.m. and guests were arriving for short periods from that time on until late evening, many of them bringing gifts. At

the beginning of the party, Mrs. Miller's cook failed and she had to borrow a cook from her brother-in-law, Robert W. Miller, who has for some time been enjoying his North End summer lodge, "Blue Paradise." The late evening hours were spent in dancing in the roomy dining room. The Millers have two young sons with them for a long vacation period and they plan enlargement and complete renovation of the home.

Mrs. Sydney Ehrman of Pine Lodge, on the Hellman estate just north of Meeks Bay, tells of a recent forest fire which threatened this timbered estate and burned over more than ten acres on its upper western edges before it was controlled. She said her two teenage granddaughters, Christianne and Florence, joined the fire fighters at the time and worked continuously in their midst for several hours to help save the forests on their property from destruction.

A group of 12 members of an outdoor organization known as the Sierra Trail Riders spent the past week in Squaw Valley. Taking horses from the Bud Jones stables, the group spent most of their time daily riding and exploring the old trails in that locality, including the several miles of Emigrant Trail which skirts that region on its way through the Sierra.

A house guest last week at the William Wallace Mein home at Tahoe Park last week was Miss Alicia Magnuss of Chicago, a prominent member of Chicago's popular sub-set. The entire family of the W. W. Meins Jr. left this weekend for their home in Woodside, as the younger members were due to prep are for beginning their school terms.

Harold Brixey, Tahoe City's young golf champion, motored to San Francisco for the weekend with his father, Lowell Brixey, where he entered the Olympic junior golfing meet by special invitation. However, Harold's game was hampered by heavy fog and he did not make his usual high rating.

The Mike Fleury's of Auburn arrived here this week for a late summer vacation in their cottage at Homewood and are enjoying the comparatively uncrowded fishing conditions in lakes and streams. The Fleury's are the owners of the Four Corners restaurant in Auburn.

The Gergor Merrills of New York are vacationing for a week or two at the C. W. Merrill family home on the Tahoe City lakeshore. The E. J. Santos of Lafayette, with their small daughter, are again in their big white cottage on The Cliffs for a few days vaca-

PAIUTE INDIAN BEAUTY Florine Brazzanovich, candidate for Indian Queen of Nevada. The queen will be chosen at a colorful ceremony in Carson City on September 20 and will reign over the state during Nevada Week, October 22-November 2.

\$5,000 BAIL SET FOR MAN HELD IN AUTO CASE

TAHOE CITY— Judge Harry Charrison of the Tahoe judicial district court has set bail at \$5,000 for Joseph T. Hulbert, 35, of Duluth, Minn., who faces a series of motor vehicle charges.

Hulbert, who was employed in the Homewood area, was arrested by Patrolman T. F. Sheehan Friday night in the Kings Beach area. The defendant is accused of taking a car belonging to Joe King of Kings Beach, and is further charged with hitting and injuring Howard Allan, a fish hatchery employee, with the car. Hulbert is charged with drunk driving, car theft, hit-and-run and not having an operator's license. He is now in Placer County jail at Auburn, awaiting his preliminary hearing, which has been set for 10 a.m. September 2. (ejv)

TALK ON INDIA BY NATIVE HEARD BY TAHOE CLUB

TAHOE CITY— John Aroksamy of India spoke before the Rotary Club at Tahoe City Tuesday giving the audience a clear picture of relations between India and western countries from the standpoint of a native of that oriental nation.

He is a graduate of Pepperdine College at Los Angeles and had as the theme of his talk international understanding, both political and spiritual, and said he deplored the use of the atomic bomb. Aroksamy came here in 1946 for the purpose of studying medicine, changing his vocation to education. Slides of life in India were also shown during the interesting lecture.

Denis Sach was program chairman and Howard Guth presided at the meeting, attended by 50 visiting Rotarians. (ejv)

tion. They are enjoying the fishing and boating so convenient to their home.

Mrs. Clark Burnham, who has been in her Truckee River home for some little time now, has packed out on several enjoyable back country trips recently. The Five Lakes, above Squaw Valley, is one of her favorite camp sites. It is reported that some time during the past week, the old cabin that had stood since the late eighteen hundreds on the shore of the upper lake there was destroyed by a fire of unknown origin.

Mrs. Ned Metcalf, who has spent most of the summer vacationing here at the E. B. King lakeshore home, returned to her southern California home during the past week when her husband motored up for her from the Los Angeles vicinity, where he is in business.

5 ESCAPE SERIOUS INJURY IN CRASH, CAR DEMOLISHED

TAHOE CITY— Five people, four of them from Altadena, miraculously escaped serious injury Saturday afternoon when a touring car was demolished in a collision with a heavy truck on the highway opposite the Tahoe City fish hatchery.

Fred Katsian, 55, driver of the car, was rushed by ambulance to Tahoe Forest Hospital near Truckee. Dr. F. W. Gorham, Tahoe City physician who accompanied the injured man in the ambulance, said Katsian was not seriously injured and needed only brief hospitali-

zation. He said Mrs. Katsian and the two passengers, whose names he did not learn, escaped injury.

Ronald J. Anderson of Meeks Bay, driver of the truck, was not injured. He said when he saw the Katsian car entering the highway from a side road, he swerved his truck in an effort to avoid the collision but the swerving of the truck at the time of impact turned it over. The truck was not badly damaged but the car was a complete wreck. (ejv)

TWO STATES WILL CO-OPERATE ON TAHOE SEWAGE

Governor Charles Russell of Nevada reports an agreement has been reached with California authorities for operation of a sewage system serving the Stateline area on the south side of Lake Tahoe in both California and Nevada.

A sewage plant costing \$108,000 is to be built in California but will process an average daily flow of 300,000 gallons of waste material for Nevada residents of the lake area. The cost of the plant will be defrayed by users.

Russell said Nevada was successful in its policy of refusing to permit any type of sewage treatment between US Highway 50 and Lake Tahoe shoreline to guard against pollution of the lake.

The plant will be constructed about a mile from the lake in an area where there is no danger of polluting the water.

NEW FARM ADVISOR FOR THIS COUNTY

William H. Brooks, director of agricultural extension service in Nevada County, has announced the appointment of William Douglas Hamilton as an additional farm advisor for Nevada County.

Hamilton received his bachelor degree at University of Agriculture.

GRANDPA PW FREED— One of the most colorful characters in exchange of Korean war prisoners, Warrant Officer Dwight E. Cox of Fresno, Calif., emerged from Communist imprisonment with a luxurious beard. Wife, six children and two grandchildren awaited return of this GI, captured nearly three years ago.

ure, Davis, in 1947. Since graduation he has been making his home in Campbell, where he has been engaged in the nursery, plant breeding and seed production work.

Hamilton is married and has two children. He will move from Campbell to Grass Valley this week and will start his work in the farm advisor's office September 1. One of his principal duties will be the direction of the 4-H Club program in the county.

LARGE AMOUNT PAID FOR RELIEF

A total of \$940,077 was paid in direct aid to the needy in Nevada County alone, during fiscal 1952-53, California Taxpayers' Association said today. For fiscal 1951-52, the year immediately preceding, the needy people in the county received a total of \$940,767 in direct aid.

Out of the total direct payments of aid to the needy in the county for 1952-53, \$720,163 went to the needy aged, \$21,666 to the needy blind, \$184,989 to dependent children and \$13,259 to general county indigents.

This was for direct aid alone and did not include the overhead costs of administration, supervision and investigation, association pointed out.

Statewide, a total of \$333,071,238 was paid directly to the people receiving aid during 1952-53. Of this, \$224,423,750 went to the needy aged, \$11,933,073 to the needy blind, \$80,342,613 to needy children and \$16,371,802 to general county indigents.

"Californians," the association observed, "paid out about 14 per cent of all the relief to needy paid in the United States, yet the people of California make up only 7 per cent of the population of the nation."

TREK TO TAHOE
OVER OLD TRAIL

Following a ghost road into country the emigrants tried and abandoned, a caravan of jeeps will take part in a Jeepers Jamboree August 29 and 30, traveling from Georgetown, up the granite mountains, over the crest of the Sierra and down the other side to Lake Tahoe.

Mark Smith, El Dorado County deputy sheriff, in charge of the trek, said this was a road used by early wagon trains and for a while was a freight route following a gold strike boom at Squaw Valley. A large resort was built at Rubicon Springs, about half way up the steep Sierra slopes but is now an

abandoned ruin as the road fell into disrepair.

Approximately 100 jeeps are expected to make the two-day trip, which will follow a route no other passenger car can now negotiate. An overnight stop is planned at Rubicon Springs.

In squads of ten jeeps, the procession will leave Georgetown early Saturday morning. A lunch stop will be made at Wentworth Springs, after which drivers and passengers will move on to Rubicon Springs.

Growlersburg VFW Post (Growlersburg was an early-day name for Georgetown) will be on hand to serve up a home-cooked dinner and dance music will be provided for the evening's entertainment.

The following day jeeps will move into Miller Meadows for lunch, then on to the junction with Highway 89 on the west shore of Lake Tahoe.

Participation is open to any jeep owner. Smith said equipment should be in first class shape. Sleeping bags, fishing rods and knives and forks are essential. Firearms should not be brought on the trip. A fee of \$9 per participant is charged for five meals and entertainment expense.

Committees of Georgetown Divide Rotary Club and Georgetown Divide Rod and Gun Club are co-operating to prepare for the trek. Registration of participants is made through El Dorado County Chamber of Commerce in Placerville or Deputy Sheriff Mark Smith in Georgetown.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than Friday, August 28, 1953 at 5 p.m. for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

LAVISH DIVORCE
MECCA AT CAVE
ROCK IS PLANNED

A Lake Tahoe real estate transaction completed last week may pave the way for the establishment of a lavish new divorce mecca, the Gardnerville Record-Courier announced.

Purchased at Cave Rock Cove, on the east side of Lake Tahoe, was the large summer home owned by Mr. and Mrs. Justus F. Craemer. The buyer was named as Harry Russell Thayer of New York, who completed the transaction through L. F. Lamont, real estate broker.

Thayer, a New York lawyer, plans to convert the property into a dude ranch and has named it Sky Water. It is understood persons from the east seeking Nevada divorces will be offered a package deal by Thayer and his Nevada associates, which will include residence at the dude ranch for the required six weeks.

The Craemers, who have spent their summers at Lake Tahoe for many years, do not plan to purchase another summer home but will leave the lake as he has purchased a Beverly Hills newspaper. Craemer is a member of the California Public Utilities Commission and formerly published a newspaper in Orange County.

TAHOE PREPARES FOR BIG REGATTA SEPTEMBER 12-13

TAHOE CITY— Soon to be displayed at Lake Tahoe will be the Mapes' Perpetual Trophy. This exquisite gold cup is four feet high and designed for Charles Mapes for the first annual Gold Cup boat races to be held at Tahoe City September 12 and 13, made by

Shreve and Company, San Francisco silversmith. A life-size etching of the beautiful trophy is being shown in the Tahoe City office of the Lake Tahoe-Sierra Chamber of Commerce and is attracting wide attention. The public is invited to call and inspect it during office hours.

The main pedestal is of gleaming mahogany the top of which is surmounted with a circular plating form which represents gold and

silver waves upon which ride replicas of racing hydros, around the base of which have been placed 22 shields on each of which will be placed a winner's name during the next 22 years.

Competition Terrific
Competition to be the first on the beautiful cup is going to be terrific, according to local racing officials. Rising from the waves, in the center, is a smaller pedestal circled by three sterling and gold dolphins, and rising above all is the figure of an athlete holding aloft a golden crown of victory.

Among top nationally known racers who have entered the gold cup are Tahoe's own R. Stanley Dollar Jr. and his two boats, the Short Snorter and the Mercury; Reno's Bill Stead and his Hurricane IV; Morlan Veisel and his new seven leader racer, Hurricane V; Gale II, owned by easterner Joseph Schoenith, plus Lou Fageol's

entry and Henry Kaiser's. Drivers will be announced later. President Fred Main of the local chamber has announced that more top ranking racers will be seen in action here during this Sky High Regatta than at any previous time in racing history.

Entry has also been received from Richard Davis of Piedmont who is entering the Honeymoon, powered by an 850 horsepower Packard aircraft engine. Other entries are anticipated for the gold cup before race time, who manage to meet qualifying requirements in the trial runs to be held here September 11. To date 80 entries have been signed for the Sky High limited hydro classic and more are expected.

Course Established
The racing course for the big two-day regatta has been surveyed and established by a qualified engineer, as required by the American Power Boat Association, and, roughly speaking, lies between the end of the Tahoe Tavern's southern property boundary to Dollar Point, a five mile oval course which will be approximately two and a half miles long. It will be marked with buoys, the racers circling to the outside.

The racing infield, it has been decided by local officials, may be used to anchor spectator boats, not to exceed 100 in number. Carroll Raymond, secretary-manager

of the Lake Tahoe-Sierra Chamber of Commerce, says the first 100 to apply at the chamber for parking privilege in the infield will be given permits for a fee of \$10 per boat per day. All persons making such application should bring along their Coast Guard registration number. The course and infield will be rigidly patrolled by the Coast Guard at all times. Members of the press, photographers, TV and radio men will all be given special accommodations aboard a barge centrally located and closed to public access.

Activity on Commons
The Tahoe City Commons during race time will be the scene of much activity, closed pits for four classes of boats to be established there next to the old pier. This section will be roped off and closely guarded by members of the Coast Guard. The commons will be closed to all automotive traffic during the regatta, according to a ruling established by the APBA. Grandstand seats will be on sale just to the south of the pits at race time.

Announcement was made public for those wishing concessions during the big two-day events. Among those responding include Mr. and Mrs. William Jenkinson and Mrs. Jeannette Mitchell of the Tahoe City area, and Mrs. Earline Brumbaugh, proprietor of the Skookum Chuck in town, who will remodel

You can reach a Star

Is it a matter of dollars that keeps you from stepping up to something better?

Come, discover a new peak of motoring pleasure at a price that never leaves the ground.

Yes, this big-power-packed Buick SPECIAL Convertible is yours to enjoy for scarcely more than the Convertibles of "the low-priced three."

And what a joyous carload of thrills that little extra provides.

Here you get a Fireball 8 Engine with the highest horsepower and

compression ratio a Buick SPECIAL ever commanded.

Here you get the big car lift and luxury of Buick's Million Dollar Ride—gentled to lullaby softness by coil springing on all four wheels.

And here are all the other unique and wonderful things that make a Buick SPECIAL such a special Buick. The casual comfort. The suave styling. The neat and knowing craftsmanship that marks every inch of the structure.

Here, too, if you want them, are Twin-Turbine Dynaflo* to give you new, smooth and silent get-

aways — and Power Steering* to guide your going with finger-tip ease.

So why not try it yourself, this dazzling beauty that gives so much and asks so little. Check it for price, test it for performance, compare it for value. How about dropping in this week?

Swanee's Letter

Tahoe City, Aug. 24
Dear Tahoeites:

The tragic death of young Cedric Porter last week has given added impetus to a drive here to acquire more adequate and up-to-date equipment to deal with emergencies. Jay Shontz tells me plans to purchase a new ambulance to replace the old one operated by the volunteer firemen have been under consideration for some time but so far only \$200 has been collected toward it. The ambulance is equipped with an Emerson resuscitator. The old ambulance is rapidly reaching the end of its usefulness and the price of a new one is high, which means everyone will

have to pull together to make it possible. Bishop Noel Porter, grand father of young Cedric, writes this week that "On Labor Day Sunday (September 6) I am going to give the entire offering at the Outdoor Chapel to the Tahoe Emergency Ambulance Fund. We feel the men in charge are doing outstanding service to the people of the lake and should have better equipment." Those unable to attend that service may send their donations to either Shontz or Al Henry Jr. at Tahoe City. Cost of a new ambulance will run around \$4,000, according to Shontz. He indicated it would be available for service on any reasonable and legitimate emergency call as long as there are men to send.

This brings to mind another fac-

et of the volunteer fire department's community service here. Many wonder when about times the fire fighters are called outside the legal tax-supported district. Shontz says such calls are handled with a small truck which was purchased and is supported through private donations and is actually the property of the 15 volunteers. The tanker does not leave the protection district.

Bishop Noel Porter's sermon at the Outdoor Chapel Sunday was on "Life's Open Windows." Mrs. Francis was soloist and Peter Gibson of College of Pacific was the guest organist. On Sunday the bishop baptized Miss Jessie Benson, 15; Miss Jane Bradley, 13, of Crystal Bay, and Miss Linda Deborah Zinn, 11, Tahoe Pines.

The Ben Callenders of Home-wood await the arrival of their globe-trotting son, Bill, and Bob Watson home from Europe. The pair sailed from Rotterdam August 20 and are expected here around September 2. Mrs. Callender received word last Thursday that her mother, Mrs. P. W. Bussman, 83, Santa Rosa, fell and fractured a hip. She is now convalescing in a hospital there.

Returning to San Francisco from an extended European tour last Saturday was Mrs. Kenneth Scott, daughter-in-law of the Bert Scotts of Tahoe Park, who was accompanied by her son, Kenneth, and his friend Frosty Phillips of San Francisco. Summer Tahoeites now back from several months in Europe are Mr. and Mrs. M. A. Lopes of San Leandro, who will be vacationing soon at their Timberland Tract home here.

Carl Becholdt Jr. holds his annual Tahoe City golf tournament on the local links this weekend. On Sunday, around 4:30 p.m., after the regular play, the annual hole-in-one tourney will be held for the benefit of the Tahoe City Volunteer Fire Department's equipment fund. Last year around \$150 was realized through Becholdt's sponsorship of the hole-in-one event.

On Monday Mr. and Mrs. Adrian Shannon and son Bobby left Truckee for Lima, Ohio, after an extended vacation at the home of her parents, the Edwin Letts Ollivers in Sunnyside. Grandson Oliver Greelee, son of the Fredrick Greenlees of Piedmont, left last week to visit in Michigan and his brother, Gordon, who has been here all summer, left for home Wednesday. The Greelees and daughter Betsy remain. Next Sunday Betsy will be confirmed at the

RESORT PERMIT
CASE CONTINUED
UNTIL SEPT. 1

TAHOE CITY—In the judicial district court here last Friday, the case against George Phillips, Tahoe Vista resort owner, was continued until September 1 by Judge Harry Charrison. The continuance was requested by T. L. Chamberlain, attorney for the defendant, who said he needed more time to study the case. Deputy District Attorney Franklin Tuttle agreed to the continuance.

John Jamison of Auburn, state division of housing, had signed a complaint against Phillips August 21, charging operation of a trailer court without a permit. The defendant has entered a plea of not guilty. (ejv)

Outdoor Chapel.

Malcolm "Mickey" Gergory of Tahoe City spent two days last week in Berkeley where he visited his father, Claud Gregory, who is ill.

Mrs. Molly Ross of Los Angeles, who visited the home of her son-in-law and daughter, Mr. and Mrs. Bud Scott, has returned home. Mrs. Scott and Mrs. Ross set off for L.A. Thursday in the family car but near Minden, Nevada, motor trouble developed and they phoned Tom Tostenson at Cal-Neva to come and bring them home. He then went back for the stalled car with a tow truck. Mrs. Ross left by plane from Reno Sunday.

Ring off for the week with a cheery adios to one and all, as ever, Swanee.

Darkness Into
Daylight

If we lived in the polar regions and had six months of darkness we would, no doubt, be more conscious of the value of light. Now our days again are growing shorter but we can turn darkness into daylight with a "flick" of a switch. Electricity does the trick.

Proper and adequate lighting enables us to do better work and enjoy life to the fullest at a minimum of cost.

SUMMER RESIDENT AT LAKE EXPIRES

TAHOE CITY— Mrs. Mabel Diment Swearingen, 69, passed away Tuesday morning from a heart attack at her summer home at Carnelian Bay. The Swearingens, whose winter residence is in Mill Valley, have spent the past 17 summers at the lake.

Mrs. Swearingen was born and raised in St. Paul, Minn., but had lived about half her life in California. She is survived by her husband, Ray E. Swearingen, a son, John, and a daughter, Mrs. James M. Bull of Sacramento.

Many friends and neighbors here were grieved and shocked by her sudden passing and the sympathy of the entire region goes out to the bereaved family. The body was taken to Mill Valley by the Truckee Colonial Mortuary. (ejv)

Eves Here—
Mr. and Mrs. Arthur Eve of Dixon, where he is vice principal in the elementary school, were here yesterday en route home from a vacation trip. They were accompanied by their two daughters. Eve is a former principal of the Truckee elementary school.

BUSY SESSION AT CHURCH HERE

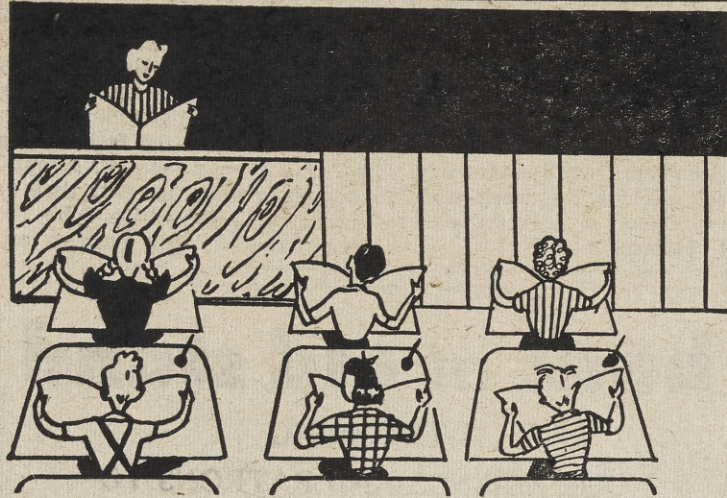

Community Methodist Church in Truckee will meet in summary of the completion of a two weeks vacation Bible school at the church at 7:30 to 9:30 Friday evening. There will be a complete report on the building fund solicitation up to date.

All day Friday, meals will be served at Brown's Cafe to those who present tickets and a portion of the price will go toward the church building fund. Tickets may be had by phoning 206 or inquiring of Gene Riden at the quarantine station, Roy Elf at the bank or Earl Brown at the Cafe.

Family films Saturday at 7:30 p.m., preaching service at 9:30 a.m. Sunday and Church School at 10:40 Sunday wind up the week's activity at the church.

Community Methodist Church will hold its first quarterly conference this year Sunday evening, September 5, at 7:30. Dr. Dillon Throckmorton, district superintendent, will serve communion elements to members and friends of the church and conduct the order of business.

ANNUAL SHOOT OF GUN CLUB TO DRAW MANY

KINGS BEACH— The annual fall PITA shoot, sponsored by the Lake Tahoe Gun Club at the club's new grounds near Tahoe Vista, promises to attract scores of shooters from all parts of the country on Friday, Saturday and Sunday, September 11, 12 and 13.

The opening day will be dedicated to practice with non-registered events slated, but with purses provided in all classes starting at 1 p.m. The traps will be open all week for practice and shooters are invited to the club any time during the week.

The North Shore Club and Ta-Neva-Ho are sponsoring the Saturday events, the first to start at 9 a.m. and the afternoon session at 2 o'clock. The morning shoot will feature 16-yard targets and each class will be represented.

In the afternoon, at the Ta-Neva-Ho shoot, targets will range from 17 to 25 yards with \$150 in added money.

Sunday's shoots, starting at 9 a.m. and at 2 p.m., are sponsored by Cal-Neva and Cal-Neva Biltmore, with \$100 added money at the morning shoot and \$400 in the afternoon.

Johnny Rayburn is heading the committee on arrangements and said indications are that the shoot will be one of the biggest ever held at the club. The public is invited to attend all three days.

TRUCKEE NATIVE
Dr. and Mrs. A. F. Wallace of Sacramento were visitors Sunday at the J. E. Kaler cottage. Dr. Wallace, a native of Truckee, attended the medical convention in Reno last week. They stopped here to accompany his mother to Sacramento, Mrs. Wallace Sr. having spent the past week with the Kalers. Another guest this week at the Kalers is Miss Charlotte Gates of San Francisco, now a senior at San Francisco College for Women.

Mother Here—
Mrs. May Pritchard of Chico is visiting at the home of her son-in-law and daughter, Mr. and Mrs. George Kaspien.

Attends Meet—
Rex Reid Tuesday attended a meeting of the Nevada County pollution control committee at Nevada City where plans for future development were under discussion.

Tonsilectomy—
Teddy Daniels, son of Mr. and Mrs. Ralph Daniels, is recovering from a recent tonsilectomy.

Visit Alexanders—
Mr. and Mrs. William Pierce of Concord are guests of Mr. and Mrs. Omar Alexander.

Girl Injured—
Helen Hopper, 15, Lincoln, injured her back while camping on Donner Summit this week and was treated at the Tahoe Forest Hospital by Dr. George Hahn.

property with an assessed valuation upwards of nine million dollars, with only one piece of equipment for year 'round fire protection. This single piece is owned by the North Tahoe Community Club and is stationed at Kings Beach. It is manned entirely by volunteer firemen with no compensation except the fact that they are serving their community.

Fred Main of Tahoe Boat Company agreed to supply the boat at cost to aid in the drive for funds and the boat is now being displayed at various spots in the area where appeals are being made for concerted support.

Residents are being urged to

support the move and business people are charged with obtaining memberships.

Those interested may call Judge Harry Harrison, chairman of the Community Club Inc.; Lee Madden, secretary, or P. M. Burroughs, treasurer. Any of these will be glad to deliver membership cards to your address.

A report on fire control funds collected and spent shows total 1952 receipts, \$5,329.20; total disbursements, \$4,949.86. Collections since July 1, 1953 to date, \$3,318 with expenses \$3,271.24 and liabilities for an alarm system and the fire truck totaling \$2,887.13.

Tarzan

by EDGAR RICE BURROUGHS

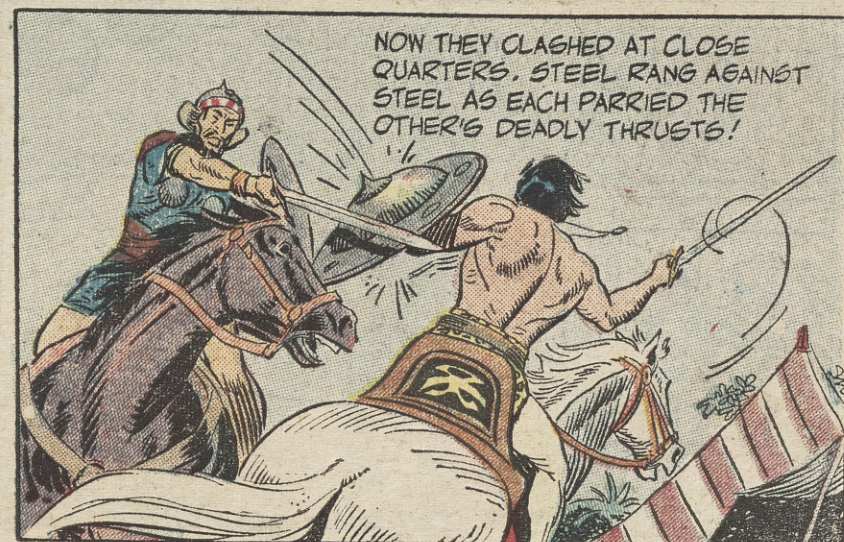

TARZAN KILLED A BUFFALO, THUS QUALIFYING TO FIGHT SADAR KHAN. SNARLING A CHALLENGE, HE MANIFESTED HIS CONTEMPT OF THE MONGOL LEADER.

THE MONGOL WARRIORS WAITED BREATHLESSLY AS THE TWO MEN PREPARED FOR THE CONTEST-- A DUEL ON HORSEBACK, TO THE DEATH!

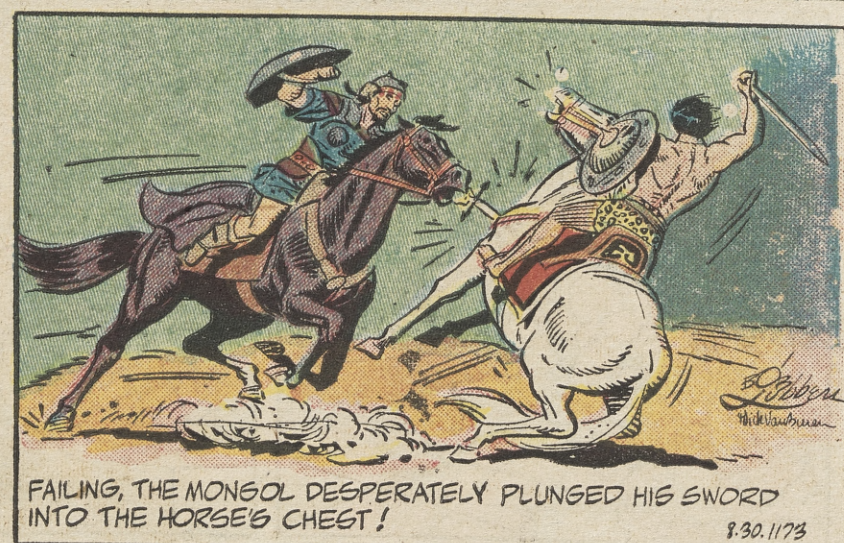

TENSION TRANSFIXED THE AUDIENCE AS THE EAGER RIDERS MOUNTED AND LEAPED INTO ACTION.

NOW THEY CLASHED AT CLOSE QUARTERS. STEEL RANG AGAINST STEEL AS EACH PARRIED THE OTHER'S DEADLY THRUSTS!

TO GAIN THE ADVANTAGE, SADAR TRIED TO HAMSTRING TARZAN'S MOUNT--

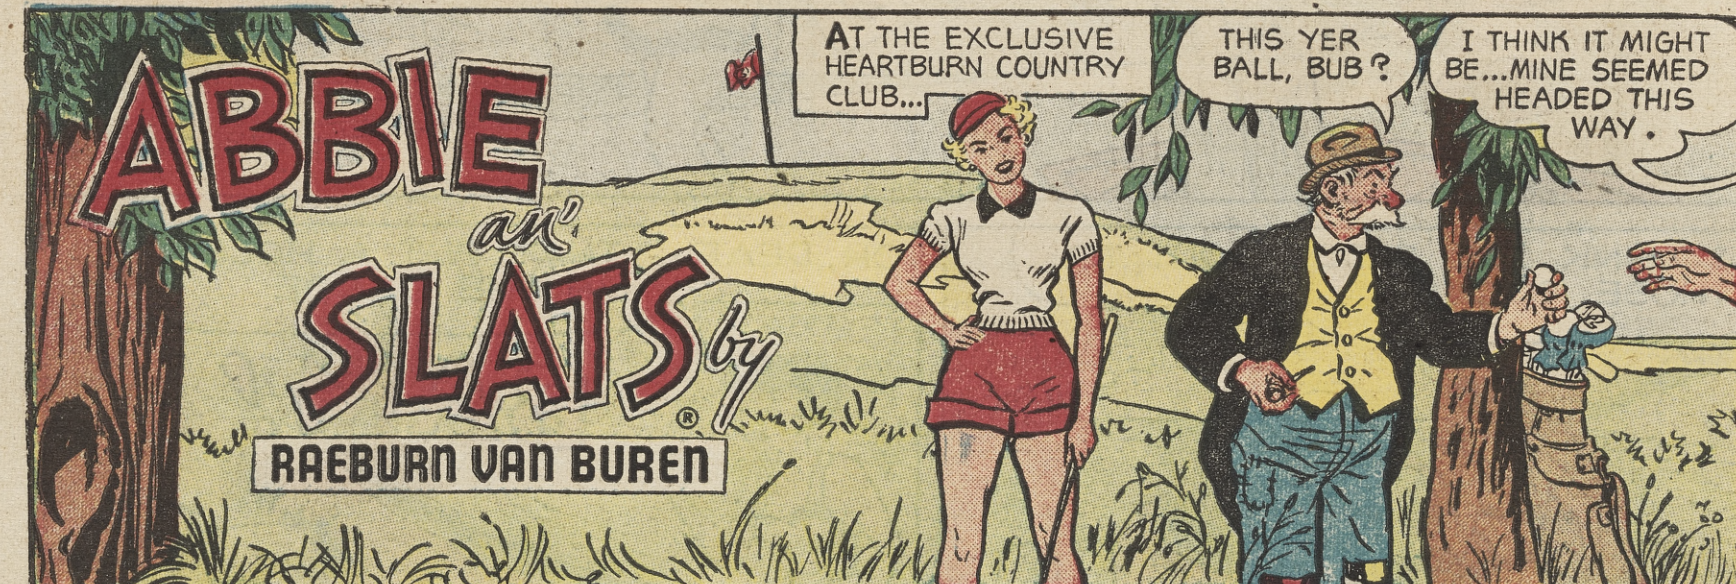

FAILING, THE MONGOL DESPERATELY PLUNGED HIS SWORD INTO THE HORSE'S CHEST!

I'M SURELY GLAD WE DECIDED TO VISIT DEATH VALLEY!

YEH, AND ALSO BE GLAD WE MADE IT IN TH' MORNING! BY NOON IT'LL BE SIZZLING!

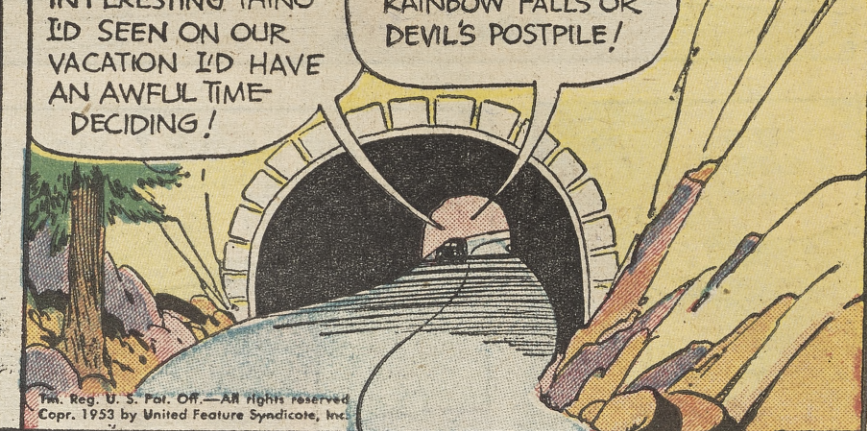

SOME VIEW, EH?

IT'S GORGEOUS, JOE! WE'VE NEVER SEEN SUCH SCENERY AS WE HAVE ON THIS TRIP!

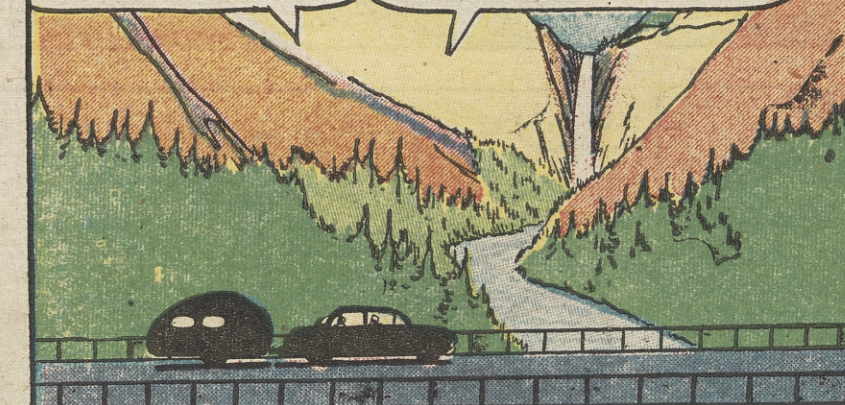

IF SOMEONE ASKED ME ABOUT THE MOST INTERESTING THING I'D SEEN ON OUR VACATION I'D HAVE AN AWFUL TIME DECIDING!

JOE, I THINK I'D VOTE FOR EITHER RAINBOW FALLS OR DEVIL'S POSTPILE!

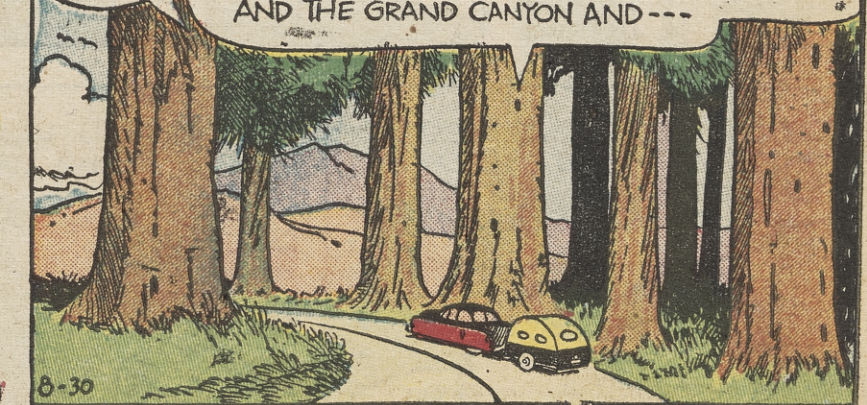

YOU ESPECIALLY LIKED THE GIANT SEQUOIAS, DIDN'T YOU, JOE?

YEH, BUT I ALSO FOUND TH' ROGUE RIVER AND CRATER LAKE MIGHTY INTERESTING!

HOW 'BOUT YOU, TOM?

OH, I LIKED THE BEARS AT YOSEMITE, AND THE INDIANS IN SANTA FE, AND THE FISHING AT MONTEREY, AND PIKES PEAK AND YELLOWSTONE AND THE GRAND CANYON AND ---

THAT PRETTY WELL COVERS TH' WHOLE TRIP! -- HOW ABOUT YOU, CAROL? WE HAVEN'T HEARD FROM YOU YET!

WHAT'S TH' MOST INTERESTING THING YOU'VE SEEN ON OUR TRIP?

OH, THAT'S EASY! REMEMBER DAY BEFORE YESTERDAY--

--- THAT GAS STATION ATTENDANT? THE ONE WITH THE BLUE EYES AND CURLY BROWN HAIR!
